

Monthly Donation Option for SSVP at St. Albert the Great

We love monthly donations! In order to keep our administration down, we only accept **cash, cheque** or **eTransfer**. There are ways to donate via credit card but it would include the use of a third party, and service fees are taken from the amount donated. Our top 3 suggestions are below:

1. If you want to do cash, take several SVP donation envelopes, and place one in the collection basket each month.
2. If you want to do cheques, put postdated cheques in an envelope and then into the collection basket. We will diarize them and cash them once they become current.
3. e-Transfers are easy, just set up a repeating e-Transfer to this email address: svdp.satg.donations@gmail.com Tell us who you are in the message box so we can properly credit your donation with a tax receipt. We have auto deposit set up already.

If you are tentative about using eTransfers, may I recommend a trial? Just send \$1 to this email address svdp.satg.donations@gmail.com and you will get a notification from the app you use, and we will also respond to let you know it went through.

We are aware that many banks and some apps such as Simplii can be set up for recurring e-Transfers.

Key Details for Recurring e-Transfers:

- **Scheduling:** Set up weekly, bi-weekly, monthly, quarterly, or annual transfers.
- **Duration:** Schedule up to five years into the future.
- **Requirement:** The recipient must have [Autodeposit](#) set up for automatic, recurring transfers to work, and we do have this.
- **Management:** Users (you) can view, edit, or cancel upcoming scheduled payments.
- **Limits:** Standard e-Transfer dollar limits apply to these transactions.

To set this up, initiate a standard Interac e-Transfer in the app (such as Simplii), or online banking, then select the frequency and end date options before sending.

Steve Dowhanik,

Treasurer, SSVP - St. Albert the Great Conference
